Subject: Complaint 26-04-007: Email Ruling Requiring Additional Information to Prepare for Evidentiary Hearing

Parties to Case 26-06-024:

As directed, on September 4, 2026, Complainant and Defendant filed and served status reports in the docket of this proceeding. The status reports identify an outstanding dispute over the amount monthly electric usage consumed for 35 of 40 billing statements between December 14, 2022 and May 14, 2026, and potentially disputed electric usage in two additional billing periods.

This ruling requires seeks information on discovery and additional availability from the Complainant and Defendant in order to prepare for evidentiary hearing. By Monday, October 5, 2026 parties shall file and serve their responses to this ruling.

Southern California Edison (SCE) is directed to respond to the following questions:

1. On what date did SCE produce billing statements for the periods May 13, 2024 – June 11, 2024, and June 12, 2025 – July 14, 2025? If the statements have not been produced, explain.
2. If any, for which billing periods prior to January 2023 has SCE produced billing statements? Please identify the date range of the billing statements

produced and the number of statements. If statements have not been produced, explain.

3. Which, if any, of the Complainant's discovery requests at issued in the Complainant's August 14, 2026 Motion to Compel are outstanding? For each outstanding item (listed below), describe the objection to producing the record.
 - a. Available interval usage data for the account from January 1, 2023 through the date the account closed, at the finest customer-usage interval reasonably maintained by SCE, such as hourly or 15-minute data.
 - b. The September 11, 2023 No Power service/dispatch record and the work/repair record for the damaged underground secondary conductors, including available repair and restoration dates and times and identification of the account-specific equipment repaired or replaced.
 - c. For August 1 through October 31, 2023, any account-specific meter event, outage, voltage, communication, reset, diagnostic, inspection, or testing record relating to the meter, service voltage, continuity, load, or re-energization
4. Describe in detail the circumstances that led SCE to disconnect service on April 20, 2026.

Complainant is directed to respond to the following questions:

1. Provide the date that the house became unoccupied in 2026.

Complainant and Defendant shall respond to the following questions:

1. Identify all dates and times on the following days that you are unavailable for a remote status conference and remote evidentiary hearing in 2026: October 19, 20, 21, 22, 23, 26, 27, 28 November 2, 6.
2. Identify any outstanding discovery disputes.

SO RULED.

Docket Office Shall Formally File This Ruling.
