**ADMINISTRATIVE LAW JUDGE RULING NOTIFYING THE PARTIES
OF HIS INTENT TO TAKE OFFICIAL NOTICE AND ALLOWING
THE PARTIES TO COMMENT**

This ruling notifies the Union Pacific Railroad Company (UPRR) d/b/a Keene Water System (KWS) and all other parties (together Parties) that the assigned Administrative Law Judge's (ALJ) intends to take official notice of the California State Water Resources Control Board's (Board) September 2, 2026 letter to the Commission and UPRR d/b/a KWS.¹ This ruling allows the Parties to file and serve comments within 10 calendar days after its issuance.

On September 2, 2026, the Board sent a letter to the Commission and UPRR d/b/a KWS describing the status of the Board's Technical Assistance Workplan for the Keene Water System including findings to date and planned next steps. The Board also informed the Commission and UPRR d/b/a KWS that it would provide its report as a Feasibility Study.

¹ Attachment A.

On August 31, 2026, the ALJ issued a Ruling Holding the Proceeding Schedule in Abeyance. In that ruling, the ALJ held the proceeding schedule in abeyance until the Board files its Final Engineering Report. This ruling notifies the Parties that the Board now refers to the anticipated report as the Feasibility Study.

Within 10 days after issuance of this ruling, the Parties may file comments and raise any objections to the ALJ's intent to take official notice of the Board's September 2, 2026 letter and receive it into evidence.
