Subject: A.26-05-009 Email Ruling on Procedures Regarding Unredacted Version of Testimony

To all Parties in A.26-05-009,

Pursuant to communication(s) received concerning testimony that need to be redacted, San Diego Community Power and Clean Energy Alliance (jointly, SD CCAs) are directed to communicate and coordinate with the Commission's Docket Office to facilitate removal from the Commission's Supporting Documents Page, the August 19, 2026 Prepared Direct Testimony of Brian Dickman (on behalf of the SD CCAs) and updating the same with a redacted version of portions designated as confidential by the SD CCAs. The SD CCAs shall complete this process by October 21, 2026.

The Commission's Docket Office and IT Division are authorized to take necessary steps in order to remove the testimony described above from the Supporting Documents page of this proceeding and replace the same with a redacted version that will be provided by the SD CCAs.

Further, the SD CCAs and any other impacted party shall submit revised versions (with updated links to testimony) of any motion to admit and/or motion for confidential treatment of the testimony described above that has already been filed. Any original motion shall remain in the record. Any revised version that needs to be filed shall be filed when updated exhibits pursuant to San Diego Gas and Electric Company's October Update, are filed.
