**NOTICE OF APPEAL**

Glencom Corp dba PacificIP U-1250-C files this Notice of Appeal from Citation No. **CD-2026-10-011** in the amount of \$2,000 issued on 10/9/2026 by the Communications Division Pursuant to Resolution T-17601.

The rationale for the appeal is as follows:

The rationale for this appeal is based on administrative misunderstanding, our operational structure, and severe financial hardship.

**1. Good-Faith Misunderstanding of Applicability**

When notices were sent in February and March of this year, we mistakenly believed they did not apply to our company. We understood the requirement to apply exclusively to facilities-based interconnect carriers or direct VoIP operators. Glencom/PacificIP: operates strictly as a reseller of existing VoIP networks and owns no network facilities or infrastructure of its own. Once we recognized the requirement applied to our model, we took immediate steps to comply.

**2. Corrective Action Taken**

I have submitted the required forms as of today, 10/16/26. Additionally, I am currently verifying our Filer ID to ensure complete accuracy; if any administrative discrepancy is identified, I will submit an updated filing immediately. We are fully committed to maintaining full compliance moving forward.

Dated 10/15/2026, at Carlsbad, California.
