Application of Southern California Gas Company (U904G) and San Diego Gas & Electric Company (U902M) for Authorization to Implement Revenue Requirement to Enable SAP Migration Program.

Application 26-05-002

**ADMINISTRATIVE LAW JUDGE'S RULING
DENYING MOTION TO CONSOLIDATE**

This ruling denies the motion to consolidate filed in the instant proceeding by the Public Advocates Office at the California Public Utilities Commission (Cal Advocates) as moot following the issuance of the Assigned Commissioner's Ruling Denying Motion of Public Advocates Office to Consolidate in Application (A.) 26-06-014 and A.26-06-015.

On July 20, 2026, Cal Advocates filed a motion to consolidate (Motion) contending that the instant application should be consolidated with Southern California Gas Company's (SoCalGas) and San Diego Gas & Electric Company's (SDG&E) (together, Sempra) General Rate Case (GRC) proceeding (A.26-06-014 and A.26-06-015), as well as two additional applications relating to upgrades of Advanced Metering Infrastructure (A.25-12-012 and A.25-12-019). Several parties provided responses to the Motion.

On October 5, 2026, the assigned Commissioner issued a ruling in Sempra's GRC proceeding denying Cal Advocates' motion to consolidate, finding that consolidation would be more disruptive than productive to the

timely and orderly resolution of the GRC proceeding.¹ In light of this ruling, the pending motion to consolidate in this proceeding is now moot. Therefore, Cal Advocates' Motion is denied.

IT IS SO RULED.

Dated October 20, 2026, at San Francisco, California.
