Attorney for
PACIFIC GAS AND ELECTRIC COMPANY

Dated: October 21, 2026

BEFORE THE PUBLIC UTILITIES COMMISSION
OF THE STATE OF CALIFORNIA

Order Instituting Rulemaking to Modernize the Electric Grid for a High Distributed Energy Resources Future.	R.21-06-017

PACIFIC GAS AND ELECTRIC COMPANY'S (U 39 E) AMENDED 2026 GRID NEEDS ASSESSMENT REPORT, APPENDIX I

(PUBLIC VERSION)

Pursuant to Rule 1.12 of the Rules of Practice and Procedure of the California Public Utilities Commission ("CPUC" or "Commission") and Decisions (D.) 18-02-004, D.21-02-006, D.24-10-030 and Administrative Law Judge (ALJ) Rulings issued on May 17, 2019, April 13, 2020, May 11, 2020, June 21, 2021, June 16, 2022, May 19, 2023, June 21, 2024, and April 20, 2026, in Rulemakings (R.) 14-08-013 and 21-06-017, Pacific Gas and Electric Company (PG&E) respectfully submits its Amended Appendix I to the 2026 Grid Needs Assessment Report (2026 GNA Report).

The Amended Appendix I to the 2026 GNA Report includes corrected data in two columns associated with the known load data, including: "Distribution Substation Name" and "Distribution Substation ID." PG&E identified errors in the identification of substation names and IDs and corrected them in this Amended Appendix I. The corrections to Appendix I are limited to these two columns and do not modify the remaining known load project data. The Amended Appendix I is attached hereto as Attachment A.

PG&E did not add, remove or modify any language or data in the 2026 GNA Report, its associated appendices, other than Appendix I, or the 2026 Distribution Upgrade Project Report (DUPR) and its associated appendices. Pursuant to Administrative Law Judge's Ruling regarding

confidential treatment and redaction of Distribution Planning Data,[1] issued July 24, 2018, and Decision (D.) 24-10-030 clarifying the definition of the 15/15 Rule,[2] and Section 3.3 of General Order 66-D, PG&E is concurrently filing a motion to submit under seal an unredacted version of Appendix I, based on customer privacy considerations, as set forth in the Declaration of Satvir Nagra attached to the motion.

Respectfully Submitted,

BENJAMIN C. ELLIS

Attorney for
PACIFIC GAS AND ELECTRIC COMPANY

Dated: October 21, 2026

[1] *See generally* Rulemaking (R.) 14-08-013, *Administrative Law Judge's Ruling Ordering Pacific Gas and Electric Company, Southern California Edison Company, and San Diego Gas and Electric Company to File Separate Motions for Confidential Treatment and Redaction of Distribution System Planning Data Ordered by Decisions 17-09-026 and 18-02-004* (July 24, 2018).

[2] Decision (D.) 24-10-030, Ordering Paragraph (OP) 31 (Oct. 23, 2024) (defined the 15/15 Rule, for the purposes of the GNA and DUPR, as "a data set containing 15 customers with no customer receiving no more than 15 percent of the load.").
