# NOTICE OF APPEAL

Dutale Inc. U-1665-C files this Notice of Appeal from Citation No. CD-2026-10-053 in the amount of $3,000 issued on October 9, 2026, by the Communications Division Pursuant to Resolution T-17601.

The rationale for the appeal is as follows: Dutale, Inc. respectfully appeals Citation No. CD-2026-10-053 and requests that the $3,000 penalty be dismissed or, alternatively, reduced in consideration of mitigating circumstances and the company's corrective actions. Dutale recognizes the importance of its CPUC compliance obligations. Its Chief Executive Officer does not recall receiving prior notices concerning the specific deficiencies cited; Dutale does not contend that notices were not sent. Upon learning of the outstanding requirements, Dutale began preparing its 2025 annual reports, reviewing historical records to ensure accurate reporting, seeking guidance from CPUC staff, and working with its insurance provider to secure the required performance bond. Dutale intends to complete the outstanding requirements and establish a compliance calendar to meet future deadlines. Dutale respectfully asks the Commission to consider its prompt good-faith remediation and cooperation when determining whether the penalty should be reduced or vacated. Supporting documentation will be provided as available.
