In the Matter of the Application of Crimson California Pipeline L.P. (PLC-26) for Authority to Increase Rates for Its Crude Oil Pipeline Services.	Application 26-08-020

ADMINISTRATIVE LAW JUDGE'S RULING GRANTING CRIMSON CALIFORNIA PIPELINE L.P.'S REQUEST FOR CONSOLIDATION

Motion to Consolidate

On February 27, 2026, Crimson California Pipeline L.P. (Crimson) filed its application for authority to increase rates for its crude oil pipeline services for the period of August 1, 2026 to July 31, 2027. On September 15, 2026, the assigned Administrative Law Judge (ALJ) issued a ruling taking the Evidentiary Hearings off calendar pending a decision on A.26-06-017.[1] On August 13, 2026, the Commission issued Decision (D.) 26-08-013 granting CorEnergy Infrastructure Trust, Inc. and CMH Acquisition Company, LLC's joint application to transfer

[1] Joint Application of CorEnergy Infrastructure Trust, Inc. and CMH Acquisition Company, LLC, pursuant to Section 854 of the Public Utilities Code, for authority to transfer control of San Pablo Bay Pipeline Company, LLC and Crimson California Pipeline, L.P.

control of San Pablo Bay Pipeline Company, LLC and Crimson California Pipeline, L.P to CMH Acquisition Company, LLC. On August 31, 2026, Crimson filed its application to increase its crude oil pipeline services for the period of October 1, 2026 to September 30, 2027. On October 5, 2026, Crimson filed a motion to consolidate applications A.26-02-020 and A.26-08-020.

The Commission's Rules of Practice and Procedure (Rule 7.4) provides that "[p]roceedings involving related questions of law or fact may be consolidated." A.26-02-020 and A.26-08-020 are applications by Crimson for authority to increase rates for its crude oil pipeline services for overlapping periods and involve related questions of law and fact and have common witnesses. Consolidation promotes efficiency, minimizes conflicts in schedule, and promotes a timelier resolution of both applications, so we find it reasonable to grant the October 5, 2026 motion and consolidate A.26-02-020 and A.26-08-020. Pursuant to Rule 11.1.(e), responses to written motions must be filed and served within 15 days of the date that the motion was served, unless the Administrative Law Judge sets a different date. No party filed a response to Crimson's October 5, 2026 motion.

Status Conference

On October 22, 2026, Crimson filed a notice of substitution of counsel for Crimson. The assigned Administrative Law Judge is proposing a status conference in early December 2026 to discuss the following:

- Crimson's position on the two applications filed by previous counsel;
- Crimson's position on why there are two applications for the same or overlapping periods;
- Proceeding Schedule; and
- Any other related issues.

Please provide me any dates that the parties are unavailable in early December 2026 by Friday, November 6, 2026.

IT IS SO RULED that:

Applications 26-02-020 and A.26-08-020 are consolidated.

Dated November 2, 2026, at San Francisco, California.
