Application of SAN DIEGO GAS & ELECTRIC COMPANY (U 902-E) for Approval of its 2027 Electric Procurement Revenue Requirement Forecasts, 2027 Electric Sales Forecast, and GHG-Related Forecasts	Application 26-05-009 (Filed: May 15, 2026)

JOINT MOTION TO ENTER TESTIMONY SUPPORTING OCTOBER UPDATE AND RELATED EXHIBITS INTO THE EVIDENTIARY RECORD

I. INTRODUCTION

Pursuant to Rules 11.1, 13.7 and 13.8 of the Rules of Practice and Procedure of the California Public Utilities Commission ("Commission" or "CPUC"), San Diego Gas & Electric Company ("SDG&E") and San Diego Community Power and Clean Energy Alliance (collectively, the "SD CCAs") respectfully file this Joint Motion to supplement the evidentiary record in this proceeding to include the updated testimony submitted by SDG&E in support of its October Update to the 2027 ERRA Forecast Application and select SDG&E discovery responses and supporting documents to the SD CCAs' data requests following the October Update. Pursuant to Rule 1.8(d), SDG&E is authorized by the SD CCAs to file this Joint Motion on their behalf. The Public Advocates Office at the California Public Utilities Commission ("Cal Advocates") and the Direct Access Customer Coalition ("DACC") do not object to this motion.

II. DISCUSSION

On October 15, 2026, SDG&E submitted its October Update to the 2027 ERRA Forecast Application, which was supported by updated testimony. The parties previously filed the Joint Motion to Enter Testimony and Exhibits on September 25, 2026. Attached hereto as **Attachment A** is an *updated* joint exhibit list, which includes the exhibits previously admitted into the record

and the additional testimony and exhibits that SDG&E and the SD CCAs move into the evidentiary record through this Motion.

To ensure a complete and accurate evidentiary record, SDG&E and the SD CCAs jointly move that the testimony and exhibits listed in Attachment A be admitted into the evidentiary record of this proceeding on the grounds that the material contained therein is relevant to the issues to be determined in this proceeding as set forth in the Assigned Commissioner's Scoping Memo and Ruling issued July 22, 2026.

On October 15, 2026, SDG&E served the public versions of Exhibits SDGE-10 through SDGE-14 on the official service list for this proceeding. Exhibit SDGE-10 (Guardado) is public only. Exhibits SDGE-11/11C (Elias), SDGE-12/12C (Felan), SDGE-13/13C (Elliott), and SDGE-14/14C (Miller) consist of public and confidential versions, all dated October 15, 2026. SDG&E served confidential Exhibits SDGE-11C through SDGE-14C on parties that had entered into the appropriate nondisclosure agreements. The SD CCAs' additional exhibit, CCA-03, is comprised of select SDG&E responses and supporting documents to the SD CCAs' data requests following the October Update, served on October 29, 2026. Pursuant to Rule 13.7(f), SDG&E and the SD CCAs have submitted the public versions of the above-referenced exhibits as "supporting documents" using the Electronic Filing System on the Commission's website. Links to the documents are contained in Attachment A hereto. Concurrently with this filing, SDG&E will file a Motion to Seal under Rule 11.5, and the SD CCAs will do so as applicable, to request protection of the confidential versions of the proposed exhibits listed in Attachment A.

III. CONCLUSION

For the reasons set forth above, SDG&E and the SD CCAs jointly request that the Commission grant this Joint Motion and admit the testimony and exhibits listed in Attachment A into the evidentiary record of this proceeding.

Respectfully submitted,

/s/ Krista S. deBoer
