To: Administrative Law Judge Regina DeAngelis and the Parties of C.26-10-008

Good morning, Your Honor:

Pursuant to Rule 11.6 of the California Public Utilities Commission's Rules of Practice and Procedure, SCE respectfully requests an extension of its deadline to file an Answer to the Complaint from November 10, 2026, to November 20, 2026.

Since service of the Complaint, the parties have engaged in discussions concerning the issues raised in this proceeding and whether those issues may be resolved through settlement. Those discussions have been constructive, and the parties continue to evaluate potential terms that could facilitate resolution of the dispute.

Given these ongoing efforts, SCE sought the Complainant's agreement to a 10-day extension of the Answer deadline, and the Complainant agreed to the request. The additional time would permit the parties to continue exploring settlement without unnecessarily expending resources on litigation activities while a potential resolution remains under consideration.

Accordingly, SCE respectfully submits that the parties' ongoing settlement efforts constitute good cause for the requested extension. Granting the extension would provide a reasonable opportunity for those discussions to continue and would further the interests of administrative efficiency and conservation of party and Commission resources.

Thank you for your consideration of this request.

Respectfully,

Robert Rojas
