Application of Pacific Gas and Electric Company for Review and Recovery of Costs Associated with the 2019 Kincade Fire and 2021 Dixie Fire under AB 1054. (U 39 M)	Application No. 25-11-001 (Filed November 14, 2025)

JOINT MOTION OF PACIFIC GAS AND ELECTRIC COMPANY (U 39 M) AND THE PUBLIC ADVOCATES OFFICE TO ADMIT EXHIBITS INTO THE RECORD

Pursuant to Rules 11.1 and 13.8 of the California Public Utilities Commission's ("Commission") Rules of Practice and Procedure, as well as the assigned Administrative Law Judge's August 14, 2026 Email Ruling Taking Evidentiary Hearings Off Calendar and Setting Procedural Requirements and Modifications ("August 14, 2026 Email Ruling"), Pacific Gas and Electric Company ("PG&E") and the Public Advocates Office at the California Public Utilities Commission ("Cal Advocates") (collectively, the "Parties") jointly submit this motion seeking to admit into the evidentiary record of the above-captioned proceeding the exhibits identified in the Exhibit List attached as Attachment A.[1]

This Exhibit List, previously served in this proceeding on August 14, 2026, identifies the following exhibits to be admitted into the record:

1. The Parties' prepared testimony and attachments and errata thereto (Exhibits PGE-01 through PGE-04, PGE-07 and CA-01 through CA-08-SA, including confidential versions thereof);

2. PG&E's Cost Updates dated June 19, 2026, and August 13, 2026 (Exhibits PGE-05 and PGE-06);

3. The Parties' agreed-upon factual stipulations related to the Dixie Fire and the Kincade Fire (Exhibits PGE-08 and PGE-09, respectively); and

[1] Pursuant to Rule 1.8(d) of the Commission's Rules of Practice and Procedure, PG&E has been authorized to submit this joint motion on behalf of counsel for Cal Advocates.

4. Three additional exhibits agreed to by the Parties (Exhibits PGE-10, PGE-11, and CA-09).

Exhibits on the Exhibit List were previously served on the service list for this proceeding and the relevant link to the Commission's supporting documents website is noted for the public version of each exhibit on the Exhibit List. Concurrent with this joint motion, the Parties are separately filing a joint motion to seal the confidential versions of exhibits, as identified with the suffix "C" or "-C" on the Exhibit List. These confidential versions of the exhibits were previously served on the assigned Administrative Law Judge and party representatives pursuant to a confidentiality declaration or nondisclosure agreement.

The Parties submit this joint motion pursuant to the authority of Rule 13.8(c) as well as the August 14, 2026 Email Ruling, which (i) confirmed that the evidentiary hearings in this proceeding were taken off calendar following the Parties' agreement on factual stipulations in lieu of cross-examination, and (ii) set a deadline of August 21, 2026 for the Parties to file motions to admit the factual stipulations and other exhibits into the record.

The Parties respectfully request a ruling granting this joint motion and entering into the evidentiary record of this proceeding the exhibits identified in the Exhibit List attached as Attachment A.
