ADMINISTRATIVE LAW JUDGE'S RULING SETTING VIRTUAL STATUS CONFERENCE FOR DECEMBER 8, 2026

In this ruling, the California Public Utilities Commission (Commission) sets a virtual status conference (STC) for **Tuesday, December 8, 2026, at 2:00 p.m.**

In this ruling, the Commission directs these parties to meet and confer, and to file and serve a Joint STC Statement no later than 2:00 p.m. on **Thursday, December 3, 2026**.

1. STC Statement

The STC statement shall contain the following:

1. Party Appearances / Speakers List

   Each party shall identify the representative(s) who will appear at the hearing and provide the following information for each representative: name, title, email, and phone number.

   If multiple representatives are appearing for the same party, indicate who is designated as the primary representative/speaker for the hearing.

   If anyone else is expected to speak during the hearing, each party shall provide the following information for each additional speaker: name, title, email, and phone number.

2. Settlement and Alternative Dispute Resolution

   Provide an update on settlement discussions and any participation in alternative dispute resolution (ADR), including whether the parties are interested in voluntarily participating in the Commission's ADR program.

3. Schedule

   Provide a status update on the proceeding's progress under the schedule established in the Assigned Commissioner's Scoping Memo and Ruling, and identify any developments that may affect that schedule.

4. Miscellaneous Matters

   Identify any other miscellaneous matters that should be discussed at the STC or issues that may affect the schedule for this proceeding.

2. Public Webinar Information for Hearing on December 8, 2026

Members of the public and all other persons not participating in the hearing may observe this public hearing by using the following information:

- Join link: https://cpuc.webex.com/cpuc/j.php?MTID=m14940221a934018faa1506f6beac8b29
- Webinar number: 2485 149 3644
- Webinar password: 2026

3. Panelist Invitations for Representatives/Speakers Listed on Speakers List

The representatives and speakers identified in the above-referenced speakers list will receive individualized panelist invitations via email. The panelist invitations will allow participants to log onto the hearing with the ability to unmute their mics and enable their cameras.

Because of a Webex security feature, participants who receive emailed panelist invitations may experience difficulty accessing the proceeding using the

public webinar information link above. Accordingly, participants (representatives and speakers) listed on the speakers list are instructed to log onto the hearing using the individualized panelist invitations received via email.

Prior to the hearing, participants should ensure that they have the necessary audio and visual equipment, sufficient battery or electrical power, and sufficient connectivity.

4. Ground Rules

The Hearing Reporter(s) will rely on the audio from Webex or the telephone to transcribe the hearing. To ensure a complete and accurate record, parties are directed to adhere to the following ground rules:

a. Mute your microphone or phone when not speaking;
b. Speak only when addressed by the ALJ;
c. Speak slowly and clearly;
d. Do not use a speaker phone when speaking; and
e. Do not interrupt or speak over one another.

This is a virtual hearing reliant on technology to relay verbal statements for verbatim transcription. The Hearing Reporter(s) may interrupt the speakers if the speakers make inaudible statements. The Hearing Reporter(s) may insert the word "inaudible" in the transcript when there is dropped, garbled, or otherwise indecipherable audio.

Parties requiring changes or additions to the official service list shall complete the required "Addition/Change of Official Service List" form and send to both process_office@cpuc.ca.gov and reporting@cpuc.ca.gov prior to the hearing. Parties who desire expedited or daily transcripts should advise the Chief Hearing Reporter via email at reporting@cpuc.ca.gov.

IT IS RULED that:

1. Parties shall file and serve on the Service List a Joint Status Conference (STC) Statement regarding the four items set forth above in Section 1 of this ruling. If parties are unable to agree to a Joint STC Statement, each party shall file and serve their own STC Statement addressing the items of disagreement. If parties agree on some matters and disagree on others, the parties shall file a Joint STC Statement for matters of agreement, and separate STC Statements for matters of disagreement. All STC Statements (joint and/or separate) shall be filed and served no later than 2:00 p.m. on Thursday, December 3, 2026.

2. A virtual status conference is scheduled for Tuesday, December 8, 2026, at 2:00 p.m. This hearing is open to the public and may be viewed using the public Webex information located above in Section 2 of this ruling.

3. Parties shall follow all Ground Rules, as instructed above in Section 4 of this ruling.

Dated November 17, 2026, at Sacramento, California.
