Subject: [EXTERNAL] A.25-12-009 - Unopposed motion for extension of time for reply brief

Dear ALJ Watts-Zagha,

Pursuant to California Public Utilities Commission Rule 11.6, I am writing on behalf of the California Environmental Justice Alliance ("CEJA") to request an extension of the time limit for filing the reply brief in A.25-12-009. Specifically, CEJA requests a one-day extension to the deadline for the reply brief: from December 3 to December 4, 2026.

CEJA requests this extension to ensure parties are not prejudiced by the Microsoft outage that occurred on the November 12 deadline for opening briefs in this proceeding. On November 12, the Commission notified all parties via its website that, per Rule 1.2, the deadline for all filings due on November 12 would be extended to November 13 "to account for the Microsoft outage." Even for parties that filed their opening briefs on November 12, CEJA did not receive email service of the briefs until November 13 due to the outage. CEJA believes the other parties are similarly situated. Consequently, a one-day extension of the deadline for the reply brief would effectively give parties the same number of days to work on their reply briefs as envisioned in the current procedural schedule.

CEJA asked the other parties to this proceeding for their positions on this request. Cal Advocates, TURN, CUE, the SD CCAs, and UCAN support the one-day extension. SDG&E does not oppose the extension.

Sincerely,
Sara Gersen
Counsel for the CEJA
