Subject: A.24-09-014 Email Ruling on the Primary Track Schedule and Other Procedural Matters

A.24-09-014 Email Ruling on the Primary Track Schedule and Other Procedural Matters

To the Service List of Application 24-09-014:

This email ruling takes the evidentiary hearings scheduled for December 8 and 9, 2026, off the proceeding schedule, revises the schedule for the primary track, and provides additional procedural clarifications.

The October 29, 2026, Administrative Law Judge's (ALJ) ruling set November 16, 2026, as the deadline for parties to file motions requesting evidentiary hearings. No party filed a motion by that deadline. Accordingly, the December 8 and 9, 2026 evidentiary hearings are taken off the proceeding schedule.

Upon review of PG&E's November 19, 2026 motion, and good cause having been shown, this ruling revises the schedule for the primary track of this proceeding. The revised schedule is as follows:

Event	**Date**
Last Day to Serve Additional Primary Track Exhibits to be Listed in the Motion to Admit Exhibits	December 11, 2026
Motion to Admit Exhibits	No later than December 16, 2026
Last Day to File Settlement Motions	December 16, 2026
Responses to Motion to Admit Exhibits	December 23, 2026
Opening Briefs	January 14, 2027
Reply Briefs *[matter submitted]*	February 4, 2027
Proposed Decision	No later than 90 days after submission

Exhibits:
Exhibits will not be admitted into the record until they have been successfully uploaded as supporting documents. Exhibits shall be labeled using an acronym for the sponsoring party, followed by sequential numbering (e.g.,PG&E-1). Confidential exhibits should be labeled with the same number as the public version of the exhibit, followed by the letter "C".

Parties who have not already provided hard copies must send one hard copy of each exhibit to the assigned ALJ by December 31, 2026, at the mailing address below:

Nilgun Atamturk
Administrative Law Judge Division
505 Van Ness Avenue San Francisco, CA 94102

Format for Each Hard Copy Exhibit:

The upper right-hand corner of the first page of the exhibit must be blank for the ALJ's exhibit stamp (approximately 2 inches high x 4 inches wide). If there is not sufficient room in the upper right-hand corner for an exhibit stamp, a cover sheet must be attached to the exhibit. All exhibits should be bound on the left side or upper left-hand corner. Paper clips are not acceptable.

Briefing Scope:
Briefs are limited to the remaining contested issues in the primary track with sections on Settled Issues limited to identifying the filed motions.

IT IS SO RULED.

The Docket Office shall formally file this ruling.
