BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Order Instituting Rulemaking to Consider Strategies and Guidance for Climate Change Adaptation.	Rulemaking 18-04-019

ADMINISTRATIVE LAW JUDGE'S RULING ENTERING COMMENT LETTER OF THE SOUTHERN CALIFORNIA TRIBAL CHAIRMEN'S ASSOCIATION INTO THE PROCEEDING'S CORRESPONDENCE FILE

On October 30, 2026, Commissioner Darcie L. Houck proposed a decision in this proceeding (Proposed Decision) adopting a staff proposal from the Commission's Energy Division and a Climate Lexicon with modification and closing the proceeding. The opening comment period for the Proposed Decision closed on November 19, 2026.

On November 16, 2026, the Southern California Tribal Chairmen's Association (SCTCA) submitted a letter to Commissioner Houck (SCTCA Comment Letter, Attachment 1), with copies sent to each Commissioner, commenting on the Proposed Decision. Given the timing in the process, and that other parties cannot respond to the letter, I am placing the SCTCA Comment Letter in the correspondence file for this proceeding.

IT IS SO RULED.

Dated November 20, 2026, at San Francisco, California.
