Subject: A.26-03-030 | E-mail Ruling Granting Party Status to the Clean Power Alliance of Southern California

To the Service List of Application (A.) 26-03-030:

This e-mail ruling grants party status to the Clean Power Alliance of Southern California (CPA).

On October 27, 2026, CPA filed a motion for party status pursuant to Rules 1.4 and 11.1. Rule 1.4 addresses participation in Commission proceedings. Pursuant to Rule 1.4 (b), a person seeking party status by motion shall "(1) fully disclose the persons or entities in whose behalf the filing, appearance or motion is made,

and the interest of such persons or entities in the proceeding; and (2) state the factual and legal contentions that the person intends to make and show that the contentions will be reasonably pertinent to the issues already presented."
CPA's motion for party status meets the requirements of Rule 1.4. CPA met the requirements of Rule 1.4 (b) by:

1. Explaining that CPA is a community choice aggregator and a load-serving entity that provides service to 38 cities and counties in Los Angeles and Ventura Counties representing roughly one million customers.
2. Stating that CPA has a direct interest in A.26-03-030 because the implementation of SCE's AMI 2.0 would have a significant impact on CPA's customers and CPA's operations.
3. Noting that CPA is specifically interested in examining SCE's deployment plan to ensure unbundled customers interests are appropriately considered.

In addition, CPA provided a summary of factual and legal contentions it intends to address, including issues 2.B., 2.E., and 4 in the Scoping Memo and Ruling.

No party protested the motion for party status. Good cause shown, I grant CPA's October 27, 2026 motion.

IT IS SO RULED.
The Docket Office shall formally file this ruling.
