

PUBLIC UTILITIES COMMISSION

505 VAN NESS AVENUE
SAN FRANCISCO, CA 94102-3298

November 19, 2013

NOTICE OF AVAILABILITY

To: Parties on the CASF Distribution (Service) List

Draft Resolution T-17428: Approval of funding in the amount of \$1,027,380 from the California Advanced Service Fund (CASF) for the CASF grant application of The Ponderosa Telephone Company and its subsidiary company, Ponderosa Cablevision for its Cressman Underserved Broadband Project (Cressman Project). The Cressman Project will extend high-speed Internet service to 3.56 square miles covering the Cressman area of Fresno County. The draft resolution is available [here](#).

On December 19, 2013, the Commission may vote on this resolution, or it may postpone a vote until later. When the Commission votes on a draft resolution, it may adopt all or part of it as written, amend, or modify it, or set it aside and prepare a different resolution. Only when the Commission acts does a resolution become binding on the parties. The conformed resolution, when adopted by the Commission, is available at the same website.

Pursuant to Public Utilities (PU) Code 311 (g), the draft resolution is available for public comments. Comments should be focused on factual, legal, and/or technical errors in the draft resolution. Comments must be limited to five pages in length and shall include a subject index listing the recommendations to the draft resolution, a table of authorities, and an appendix setting forth the proposed revised findings and ordering paragraphs.

The date of submission is the date the comments are received by the Communications Division. Parties must serve a copy of their comments to the Communications Division staff representative Adam Clark (adam.clark@cpuc.ca.gov) and on each party set forth on the service list attached to this Notice of Availability on the same date that the comments are submitted to the Communications Division.

Comments must be received and served on parties no later than December 4, 2013, (which is 15 days from the date of this mailing). Reply comments may be submitted on or before December 9, 2013 (which is 5 days after opening comments are due) and shall be limited to identifying misrepresentations of law, fact, or condition of the record contained in the comments of other parties. Replies shall not exceed three pages in length and shall be submitted and served in the same manner as opening comments.

Late-filed opening and/or reply comments will ordinarily be rejected. However, in extraordinary circumstances, a request for leave to submit comments or replies late may be filed together with proposed comments/replies. An accompanying declaration under penalty of perjury shall be submitted setting forth all the reasons for the late submission.
