ORDER EXTENDING STATUTORY DEADLINE**Summary**

This decision extends the statutory deadline in this proceeding to July 31, 2015.

Background

Public Utilities Code Section 1701.2(d) provides that adjudicatory cases shall be resolved within 12 months of the date that they are initiated unless the Commission finds that deadline cannot be met and issues an order extending it. This matter has been categorized as adjudicatory and the 12-month deadline for resolving this proceeding was May 25, 2012. The Commission has issued several

decisions extending the statutory deadline of this proceeding. The most recent, Decision (D.) 14-02-008 extended the statutory deadline to January 31, 2015.

On September 5, 2013, the Commission issued D.13-09-001 approving the parties' settlement agreement, but left the proceeding open to determine the appropriate method for issuing the refunds ordered in the decision and to allow the Commission's Safety and Enforcement Division (SED) time to pursue recovery of sums held by third parties for the benefit of consumers harmed by the actions of respondents. Efforts to recover the sums held by third parties are ongoing, but SED requires additional time to complete its recovery efforts. Therefore, an extension of the statutory deadline until July 31, 2015, is necessary.

Waiver of Comments

Under Rule 14.6(c)(4) of the Commission's Rules of Practice and Procedure, the Commission may reduce or waive the period for public review and comment of decisions extending the deadline for resolving adjudicatory proceedings. We waive the period for public review and comment pursuant to this rule.

Assignment of Proceeding

Catherine J.K. Sandoval is the assigned Commissioner and Karl J. Bemserfer is the assigned Administrative Law Judge in this proceeding.

Finding of Fact

An extension of time until July 31, 2015 is necessary in order to allow the Commission's Safety and Enforcement Division time to complete its efforts to recover funds held by third parties for the benefit of consumers.

Conclusions of Law

1. Pursuant to the authority granted the Commission under Public Utilities Code Section 1701.2(d), the statutory deadline for this proceeding should be extended to July 31, 2015.

2. Pursuant to Rule 14.6(c)(4), the comment period for the proposed decision should be waived.

IT IS ORDERED that the statutory deadline for this proceeding is extended to July 31, 2015.

This order is effective today.
