Application (A.) 19-07-004

On July 1, 2019, Cal-Am submitted an application requesting CPUC approval to increase its revenue in each of its districts statewide by \$25,999,900 (or 10.6 percent) in 2021; by \$9,752,500 (or 3.59 percent) in 2022; and by \$10,754,500 (or 3.82 percent) in 2023. According to Cal-Am, main contributors to the rate increase include new capital investments; increased labor expenses; increased depreciation expenses; increasing administrative and general expenses; and increased operations and maintenance expenses.
