WHAT: CPUC Environmental and Social Justice Action Plan - 2021 Update Workshop

WHEN: February 3 and 4, 2021, 10 a.m. - 3 p.m.

BACKGROUND:

In February 2019, the CPUC adopted an [Environmental and Social Justice \(ESJ\) Action Plan](#) to serve as a roadmap to expand public inclusion in CPUC decision-making and improve services to targeted communities across California. The purpose of this workshop is to have interactive discussions to generate ideas and potential action items for possible incorporation into an update of the ESJ Action Plan. Topics covered during the workshop will include an overview of the ESJ Action Plan; understanding definitions and terms related to ESJ communities in CPUC programs and policies; ESJ considerations in CPUC industry Division work; data collection; and more.
