The CPUC encourages all Californians to participate in its meetings, hearings, workshops, and proceedings. We try to hold our public meetings only in places that are wheelchair accessible, and which can accommodate specialized equipment and other services useful to people with disabilities. Please see the notice of the meeting you wish to attend for more specifics.

If you plan to attend and need specialized accommodations for a particular meeting that are not listed in the notice, request them from the Public Advisor's Office at least three business days in advance of the meeting. Contact the Public Advisor's Office by any one of the following:

Meeting Date	July 15, 2021
Subject Matter	Approves and denies elements of PG&E's Advice Letter 4401-G/6116-E to implement an Independent Safety Monitor (ISM) consistent with D.20-05-053 approving PG&E's Bankruptcy Plan of Reorganization. The resolution adopts a solicitation and selection process, scope of work, schedule, and \$5 million budget over five years for the ISM. The resolution denies PG&E's request to establish a new memorandum account to track ISM costs, denies cost recovery and finds PG&E shareholders must pay ISM costs.
