Karen Douglas
Darcie L. Houck
John Reynolds
Genevieve Shiroma

Pursuant to Section 20 of Assembly Bill 189 (Stats. 2022, ch.48), signed by Governor Newsom on June 30, 2022, Commissioners may participate remotely from teleconferencing locations. The public may observe, provide public comment during the public comment period, and otherwise participate remotely pursuant to the Bagley-Keene Open Meeting Act.

For each agenda item, a summary of proposed action is included on the agenda as well as a link to the related electronic document. The Commission's decision may, however, differ from that proposed.

Public comments are taken up at the beginning of the meeting (11:00 a.m.).

Information and instructions on how to make public comment are posted on the Commission's website at <https://www.cpuc.ca.gov/commissionmeetings>. Changes to this information may be posted up to 72 hours prior to the start of the Commission Voting Meeting.

Individuals wishing to observe the meeting online can do so by accessing our website at <http://www.adminmonitor.com/ca/cpuc/>.

[21334]

A.19-12-008

Application of Southern California Edison Company for Approval of its 2019 Rate Design Window Proposals.

PROPOSED OUTCOME:

- Awards Compensation to Small Business Utility Advocates (SBUA) \$5,699.58 for substantial contribution to Decision (D.) 20-12-032. This decision found Southern California Edison Company (SCE) complied with the Commission's requirements in D.18-11-027 to submit a study on the applicability of all-electric baseline quantities to residential customers with Heat Pump Water Heaters (HPWH), and that SCE's HPWH study is reasonable. SBUA originally requested \$12,841.50.

SAFETY CONSIDERATIONS:

- Substantial contribution by intervenors, as found here, enhances the Commission's ability to resolve safety and other issues under Public Utilities Code Section 451 to take all actions "necessary to promote the safety, health, comfort, and convenience of its patrons, employees, and the public."

ESTIMATED COST:

- \$5,699.58 plus interest, to be paid by the ratepayers of SCE.

R.20-05-003

Order Instituting Rulemaking to Continue Electric Integrated Resource Planning and Related Procurement Processes.

PROPOSED OUTCOME:

- Awards The Protect Our Communities Foundation (PCF) \$36,003.13 for substantial contribution to Decision (D.) 21-06-035. That Decision addressed the mid-term reliability needs of the electricity system within the California Independent System Operator's operating system by requiring at least 11,500 megawatts of additional net qualifying capacity to be procured by all of the load-serving entities subject to the Commission's integrated resource planning authority. PCF originally requested \$36,003.13.

SAFETY CONSIDERATIONS:

- Substantial contribution by intervenors, as found here, enhances the Commission's ability to resolve safety and other issues under Public Utilities Code Section 451 for each public utility, by taking all actions "...necessary to promote the safety, health, comfort, and convenience of its patrons, employees, and the public."

ESTIMATED COST:

- \$36,003.13, plus interest, to be paid by Pacific Gas and Electric Company, San Diego Gas & Electric Company and Southern California Edison Company.

**Intervenor Compensation to Center for Accessible
Technology**

[21415]

R.17-06-024

PROPOSED OUTCOME:

- Awards Center for Accessible Technology (CforAT) \$46,396.50 for substantial contribution to Decision (D.) 21-07-029. This decision directs Class A water utilities to continue to suspend disconnections for nonpayment for customers with arrearages accumulated during the statewide water moratorium until the sooner of further notice and direction from the Commission or February 1, 2022. The decision adopts improvements to the exchange of low-income customer data between energy and water utilities to increase customer access to low-income assistance programs. The decision also provides guidance to Class A water utilities requesting recovery of unpaid bills associated with the COVID-19 pandemic through their CEMA accounts. The decision also continues monthly reporting of water utility bill payment and collections data and orders Class A water utilities to pursue data reporting refinements through public working sessions. CforAT originally requested \$48,988.00.

SAFETY CONSIDERATIONS:

- Substantial contribution by intervenors, as found here, enhances the Commission's ability to resolve safety and other issues under Public Utilities Code Section 451 for each public utility, by taking all actions "necessary to promote the safety, health, comfort, and convenience of its patrons, employees, and the public."

ESTIMATED COST:

- \$46,396.50 plus interest, to be paid by the Class A Water Companies.

Regular Agenda- Commissioner Reports

Closed Session

This notice is furnished under Government Code Sections 11125 and 11126.3. The Commission will meet in Closed Session following the Public Session of its regularly scheduled meeting. In the Closed Session, the Commission may consider personnel matters as provided under Government Code Section 11126(a), institution of proceedings or disciplinary actions against any person or entity under the jurisdiction of the Commission as provided under Government Code Sections 11126(d)(2) and 11126(e)(2)(C)(i), and pending litigation as provided under Government Code Section 11126 (e). Additional items may be added to the closed session agenda pursuant to Gov. Code Section 11126.3(d). If in Closed Session the Commission votes to appoint, employ, or dismiss a public employee, the Commission will thereafter reconvene in Open Session to make the disclosures required by Government Code Sections 11125.2 and 11126.3(f).

[21395]
A.15-05-014

Disposition of applications for rehearing of Decision (D.) 22-11-025 filed by Rail Safety Division and Sonoma Marin Area Rail Transit District. In D.22-11-025, the Commission denied the Rail Safety Division's petition for modification of D.16-09-002, which approved an at-grade crossing at Jennings Avenue in Santa Rosa, because the petition failed to present any evidence of new or changed facts specific to the Jennings Avenue location and failed to address the seven-factor test of impracticability for a separated grade crossing.

Gov. Code § 11126(e)(2)(B)(i), allows this item to be considered in Closed Session.
