**ORDER EXTENDING STATUTORY DEADLINE**

**Summary**

This decision extends the statutory deadline for completion of Case 19-03-005 until November 11, 2024.

**1. Background**

On March 8, 2019, OhmConnect, Inc. filed *Complaint of OhmConnect, Inc. Against Southern California Edison Company for Data Failures* requesting Commission order directing Southern California Edison Company (SCE) (i) to immediately begin to provide data within the timeframes provided by SCE's

Electric Rule 24: *Direct Participation Demand Response*, Rule 26: *Release of Customer Data or Energy Usage Related Data To Third Parties*, and Commission Resolution E-4868, (ii) to resolve all outstanding data issues, and (iii) to improve all related processes to ensure compliance with SCE's Rule 24, Rule 26, Resolution E-4868, and Pub. Util. Code Section 761; and related matters. This adjudicatory proceeding was assigned to Administrative Law Judge (ALJ) Dan Burcham and former Commissioner Liane Randolph on March 26, 2019.

Thereafter, the Commission issued *Instruction to Answer* on March 26, 2019. On April 25, 2019, SCE filed an Answer to the Complaint of OhmConnect, Inc. (OhmConnect). A prehearing conference (PHC) was held on May 30, 2019, Junipero Serra State Office Building, 320 West 4th Street, Los Angeles to discuss the parties, the scope of the proceeding, schedule and other procedural matters. Defendant SCE filed a motion to dismiss OhmConnect's complaint on June 17, 2019. ALJ Burcham retired at the end of 2019. On November 14, 2019, this matter was reassigned to ALJ Andrea D. McGary. On February 27, 2020 and August 27, 2020 respectively, orders extending the original March 8, 2020 statutory deadline to May 27, 2021 were entered to allow newly assigned ALJ McGary to issue a scoping memo, conduct evidentiary hearings, thoroughly evaluate the record, and prepare a proposed decision in this proceeding. On March 23, 2021, Case (C.) 19-03-005 was reassigned from former Commissioner Liane M. Randolph to former Commissioner Martha Guzman Aceves.

Via Decision (D.) 21-05-033 entered on May 21, 2021, this Commission found that OhmConnect's underlying data delivery complaint in this C.19-03-005 action was integrally related to Ordering Paragraph 29 of Commission Resolution E-4868 and pending related Application (A.) 18-11-015, A.18-11-016, and A.18-11-017 (collectively the investor-owned utility (IOU) Click-Thru

Proceedings).<sup>1</sup> Ordering Paragraph 29 of Resolution E-4868 required IOUs Pacific Gas and Electric (PG&E), SCE, and San Diego Gas & Electric (SDG&E), to file individual applications for approval of cost estimates and proposed improvements and/or enhancements to the functionality of the click-through electronic signature authorization process utilized by customer 's energy data with third party Demand Response Providers ("DRP Functionality Standards"). Decision(s) establishing the DRP Functionality Standards required by Commission Resolution E-4868, and necessary for adjudication of this C.19-03-005 proceeding, were still pending at the time of D.21-05-033.

On February 15, 2022, this proceeding was assigned to Commissioner John Reynolds. On September 1, 2022, C.19-03-005 was reassigned from ALJ McGary to Assistant Chief ALJ W. Anthony Colbert.

On September 8, 2022, Complainant OhmConnect, Inc. filed a motion requesting to stay C.19-03-005 until a final decision was issued in the IOU Click-Thru Proceedings. D.23-09-006 was entered in the IOU Click-Through Proceedings on September 21, 2023 and closed the applications. This proceeding was reassigned to ALJ Andrea D. McGary on October 26, 2023. On November 7, 2023, reassigned ALJ McGary granted Complainant OhmConnect's motion to stay, extending the stay through December 15, 2023.<sup>2</sup> On November 30, 2023, this Commission vacated the stay and extended the statutory deadline for resolution this C.19-03-005 proceeding until April 25, 2024.<sup>3</sup> On April 18, 2024,

<sup>1</sup> The existing approval process allows the IOUs to release a customer's energy data to third party demand response providers subject to Commission privacy rules reflected in existing IOU Electric Rules: PG&E Rules 24, SCE Rule 25, and SDG&E Rule 33 as applicable; *See also* D.11-07-056.

<sup>2</sup> *Administrative Law Judge's Ruling Granting Motion To Extend Stay* (November 7, 2023).

<sup>3</sup> D.23-11-103 *Order Extending Statutory Deadline & Vacating Stay* (November 30, 2023).

the statutory deadline for resolution of C.19-03-005 was extended through June 27, 2024.<sup>4</sup>

*A Presiding Officer's Decision Granting Southern California Edison Company's Motion To Dismiss* was issued by Administrative Law Judge Andrea D. McGary on April 29, 2024 (POD)<sup>5</sup> and is being withdrawn and set aside on the Commission's own motion for modification and reissue. Additional time is needed to process and reissue the POD, and for the time to toll on a new appeal and/or request for review period. Accordingly, we conclude that it is appropriate to extend the statutory deadline in this C.19-03-005 case for at least 120 days, until on or before November 11, 2024.

## **2. Waiver of Comment Period**

Under Rule 14.6(c)(4) of the Commission's Rules of Practice and Procedure, the Commission may waive the otherwise applicable 30-day period for public review and comment on a decision extending the deadline for resolving adjudicatory proceedings set forth in Public Utilities Code Section 1701.2(i). Under the circumstances of this proceeding, it is appropriate to waive the 30-day period for public review and comment.
