**ORDER EXTENDING STATUTORY DEADLINE**

**Summary**

This decision extends the statutory deadline in this proceeding to April 10, 2026.

**1. Background and Justification**

Public Utilities (Pub. Util.) Code Section (§) 1701.5(a) provides that the Commission shall resolve the issues raised in the scoping memo of a ratesetting proceeding within 18 months of the date the proceeding is initiated unless the

Commission makes a written determination that the deadline cannot be met and issues an order extending the deadline. The current statutory deadline for resolving this proceeding is December 3, 2025.

On June 3, 2024, San Diego Gas & Electric Company filed Application (A.) 24-06-001 seeking Commission review and approval of its contract administration, least-cost dispatch and power procurement activities in 2023 as well as certain costs related to those activities recorded within multiple memorandum and balancing accounts.

On August 5, 2024, the assigned Administrative Law Judge (ALJ) held a prehearing conference (PHC) to address the issues of law and fact, determine the need for hearing, set the schedule for resolving the matter, and address other matters as necessary.

On September 19, 2024, the assigned Commissioner issued a scoping memo and ruling which set forth the issues, need for evidentiary hearing, schedule, and other necessary matters.

An extension of the statutory deadline until April 10, 2026, is necessary and appropriate to allow further time to deliberate on the submitted evidence for the assigned ALJ to render a proposed decision and the Commission to render a final decision.

## **2. Waiver of Comment Period**

Under Rule 14.6(c)(4) of the Commission's Rules of Practice and Procedure, the Commission may waive the otherwise applicable 30-day period for public review and comment on a decision that extends the 18-month deadline

set forth in Pub. Util. Code §1701.5. Under the circumstances of this proceeding, it is appropriate to waive the 30-day period for public review and comment.

**3. Assignment of Proceeding**

John Reynolds is the assigned Commissioner and Andrew Dugowson is the assigned Administrative Law Judge in this proceeding.
