BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of Pacific Gas and Electric Company for Recovery of Recorded Expenditures in Memorandum and Balancing Accounts Related to Wildfire and Gas Safety (U39 M).

Application 23-06-008

ORDER EXTENDING STATUTORY DEADLINE**Summary**

This decision extends the statutory deadline in this proceeding until October 30, 2026.

1. Background

Public Utilities Code (Pub. Util. Code) Section 1701.5(a) provides that the Commission shall resolve the issues raised in the scoping memo of a ratesetting proceeding, within 18 months of the date the proceeding is initiated, unless the Commission makes a written determination that the deadline cannot be met and issues an order extending the deadline. The current statutory deadline for this proceeding is March 31, 2026.

Pacific Gas and Electric Company (PG&E) filed Application (A.) 23-06-008 on June 15, 2023, seeking to recover costs spent in two broad categories: wildfire safety work performed during the years 2020-2022, and electric modernization and gas safety work performed primarily in 2022. PG&E's request here in A.23-06-008 is its second request, after first filing this request in its 2023 General Rate Case (GRC), A.21-06-021. In response to directives in the 2023 GRC proceeding, PG&E withdrew its request from the 2023 GRC and filed A.23-06-008.

On November 1, 2023, the assigned Commissioner issued a scoping and ruling memo that, among other things, extended the statutory deadline for A.23-06-008 until June 30, 2025.

The schedule for this proceeding includes two tracks. Track 1 considers recovery of costs associated with wildfire mitigation work, and Track 2 considers costs associated with gas safety and electric modernization work.

On June 12, 2025, Decision 25-06-018 extended the statutory deadline for A.23-06-008 until March 31, 2026.

An extension of the statutory deadline to October 31, 2026, is necessary to allow time to issue Proceeding Orders in Track 1 and Track 2 and deliberate on the issues.

2. Waiver of Comment Period

Under Rule 14.6(c)(4) of the Commission's Rules of Practice and Procedure, the Commission may reduce or waive the period for public review and comment of proposed decisions extending the deadline for resolving ratesetting proceedings. Accordingly, the otherwise applicable period for public review and comment is being waived.

3. Assignment of Proceeding

John Reynolds is the assigned Commissioner and Elaine C. Lau and Camille Watts-Zagha are the assigned Administrative Law Judges in this proceeding.
