Schedule No. 4

PRIVATE FIRE PROTECTION SERVICE

APPLICABILITY

Applicable to all water service furnished to privately owned fire protection systems.

TERRITORY

Throughout all tariff areas.

RATES

Quantity Rates:

For each inch of diameter of service connection . . . . . \$30.00 (I)

SPECIAL CONDITIONS

1. The facilities for service to a privately owned fire protection system shall be installed by the Utility or under the Utility's direction. Cost for the entire installation, shall be paid for by the applicant. Such payment shall not be subject to refund.
2. The expense of maintaining the private fire protection facilities on the applicant's premises (including the vault, meter and backflow device) shall be paid for by the applicant.
3. All facilities paid for by the applicant shall be the sole property of the applicant. The Utility and its duly authorized agents shall have the right to ingress to, and egress from the premises for all purposes relating to said facilities.
4. The minimum diameter for the service pipe to fire protection service shall be four inches, and the maximum diameter shall be not more than the diameter of the main to which the service is connected.
5. If a distribution main of adequate size to service a private fire protection system in addition to all other normal service does not exist in the street or alley adjacent to the premises to be served, then a main extension from the nearest existing main of adequate capacity shall be installed by the Utility. The cost of such main extension attributable to the fire protection requirement shall be paid to the Utility as a contribution in aid of construction.

FIRE HYDRANT SERVICE ON PRIVATE PROPERTY

APPLICABILITY

Applicable to all fire hydrant service rendered from fire hydrants connected to Company owned mains on private property.

TERRITORY

Throughout all tariff areas.

RATES

For each 6-inch standard fire hydrant, per month . . . . . \$39.69 (I)

SPECIAL CONDITIONS

1. The fire hydrant will be installed by the Utility or under the Utility’s direction at the cost of the applicant. The cost will not be subject to refund.
2. The fire hydrant shall be used for fire fighting purposes and fire drills only. Water use for fire drills will be limited to 15 minutes per week.
3. The replacement, enlargement, or relocation of any hydrant made at the request of the customer shall be paid for by the customer.
4. All facilities paid for by the applicant shall be the sole property of the applicant. The Utility and its duly authorized agents shall have the right to ingress to, and egress from the premises for all purposes relating to said facilities.

SAN JOSE HILLS SERVICE AREA  
RESIDENTIAL METERED SERVICE

SPECIAL CONDITIONS

As authorized by the California Public Utilities Commission (C.P.U.C.) pursuant to D.xx-xx-xxx, all bills are subject to a one-time surcredit of \$0.13 per 100 cubic feet of water used, beginning with the effective date of Advice Letter xxx-W. This surcredit will amortize the over-collection balance in various Memorandum and Balancing Accounts.

(N)

As authorized by the California Public Utilities Commission (C.P.U.C.) pursuant to D.xx-xx-xxx, all bills are subject to surcharge of \$0.093 per 100 cubic feet of water consumed. This surcharge will amortize the under-collection balance in the Catastrophic Event Memorandum Account (CEMA) related to COVID-19. The surcharge will commence on the effective date of Advice Letter xxx-W, and will remain in effect for an estimated twelve months period or until the under-collection balance is fully amortized.

(N)

Customer Leak Credit

(N)

- a. Customer may receive a one-time per customer credit on their bill for water loss due to leaks.
- b. Calculation of the credit is based on the leak as the only customer usage.
  - i. The maximum refund amount for customers currently receiving a Customer Assistance Program (CAP) credit 100% of the charges for water loss.
  - ii. The maximum refund amount for customers not currently receiving a CAP credit is 50% of the charges for water loss.

(N)

Customer Repair Credit

(N)

- a. Customer may apply for a one-time per customer reimbursement for indoor plumbing repair costs up to \$500.00.
- b. Customer must confirm their leak and prove the leak has been repaired by providing receipts demonstrating they have made the necessary repairs.
  - i. Requests for reimbursement must be made within 60 days of the repair.
  - ii. Payment to the customer will be made by check, payable to the customer of record.

RECYCLED WATER METERED SERVICE

SPECIAL CONDITIONS

1. The quantity rate is set at 85% of the quantity rate of Schedule No. SJ-2.
2. The customer is responsible for compliance with all local, state, federal rules, and regulations that apply to the use of recycled water on the customer's premises.
3. The utility will supply only such recycled water at such pressure as may be available from time to time from the recycled water system. The customer shall indemnify the utility and save it harmless against any and all claims arising out of service under this schedule and shall further agree to make no claims against any and all claims arising out of service under this schedule and shall further agree to make no claims against the utility for any loss or damage resulting from service under this schedule.
4. As a condition of service under this schedule, all customers are required to comply with the Company's Rule 16, Section D, Recycled Water Metered Service.
5. The boundaries of the Tariff Areas in which the above rates apply are delineated on the Service Area Map for the San Jose Hills Service Area as filed in these tariff schedules.
6. All bills are subject to the reimbursement fee set forth on Schedule No. UF.
7. A surcharge of \$0.088 per 100 cubic feet is to be applied to the monthly bills of all metered customers, excluding those customers receiving a Customer Assistance Program (CAP) credit, in order to support the CAP, commencing on the effective date of Advice Letter xxx-W. (I)

WHITTIER/LA MIRADA SERVICE AREA  
NON RESIDENTIAL METERED SERVICE

SPECIAL  
CONDITIONS

1. The boundaries of the Tariff Areas in which the above rates apply are delineated on the Service Area Map for the Whittier/La Mirada District as filed in these tariff schedules.
2. All bills are subject to the reimbursement fee set forth on Schedule No. UF.
3. A surcharge of \$0.088 per 100 cubic feet is to be applied to the monthly bills of all metered customers, excluding those customers receiving a Customer Assistance Program (CAP) credit, in order to support the CAP, commencing on xxxx, the effective date of Advice Letter xxx-W. (I)  
(T)  
(T)
4. Customer Assistance Program (CAP) Memorandum Account (T)
  - a. The Company shall maintain a Customer Assistance Program (CAP) Memorandum Account to record the differences between CAP discounts, program costs, and the revenues generated by the CAP surcharge. |
  - b. The Company will record the CAP discounts (credits) for service as provided under Schedule No. CAP -1. |
  - c. The Company will record the CAP surcharge for service as provided under Special Conditions in Schedule wlm-2. (T)
  - d. The Company will record the incremental costs for the CAP administration, which have not been reflected in authorized rates. (T)
  - e. The Company shall maintain the CAP memorandum account by making entries at the end of each month as follows: (T)
    - i. A debit entry shall be made to the CAP memorandum account at the end of each month to record the CAP discounts and program costs. |
    - ii. A credit entry shall be made to the CAP memorandum account at the end of each month to record the revenues from the CAP surcharges. |
    - iii. Interest shall accrue to the CAP memorandum account on a monthly basis by applying a rate equal to one-twelfth of the 3-month Commercial Paper Rate, as reported in the Federal Reserve Statistical Release, to the average of the beginning-of month and the end-of-month balances. (T)

The CAP Memorandum Account shall go into effect on the effective date of Advice Letter 254-W. (T)
5. A Local Government Fee Surcharge is included as a separate line item on bills in the City of Whittier to collect franchise taxes. The amount collected is 4.0% of the gross amount of customers' bills beginning November 11, 2010 through November 10, 2011, 8.0% beginning November 11, 2011 through November 10, 2012, and 12.0% beginning November 11, 2012 through November 10, 2035.

WHITTIER/LA MIRADA SERVICE AREA  
NON RESIDENTIAL METERED SERVICE

SPECIAL  
CONDITIONS

As authorized by the California Public Utilities Commission (C.P.U.C.) pursuant to D.xx-xx-xxx, all bills are subject to one-time surcharge of \$0.135 per 100 cubic feet of water used is to be applied to the monthly bills of all metered customers, excluding those customers receiving a Customer Assistance Program (CAP) credit, commencing on xxxx, the effective date of Advice Letter xxx-W. (N)

As authorized by the California Public Utilities Commission (C.P.U.C.) pursuant to D.xx-xx-xxx, all bills are subject to a one-time surcredit of \$0.13 per 100 cubic feet of water used, beginning with the effective date of Advice Letter xxx-W. This surcredit will amortize the over-collection balance in various Memorandum and Balancing Accounts. (N)

As authorized by the California Public Utilities Commission (C.P.U.C.) pursuant to D.xx-xx-xxx, all bills are subject to surcharge of \$0.093 per 100 cubic feet of water consumed. This surcharge will amortize the under-collection balance in the Catastrophic Event Memorandum Account (CEMA) related to COVID-19. The surcharge will commence on the effective date of Advice Letter xxx-W, and will remain in effect for an estimated twelve months period or until the under-collection balance is fully amortized. Rule No. 9  
(Continued)

RENDERING AND PAYMENT OF BILLS

- A. 3. (1) Each of the several quantity rate blocks will be prorated on the basis of the ratio of the number of days in the period to the number of days in an average billing period. The measured quantity of usage will be applied to such prorated amounts and quantities.
- (2) Flat Rate Service  
The billing period charge will be prorated on the basis of the ratio of the number of days in the period to the number of days in an average billing period.
- (3) Average Billing Period  
The number of days in an average billing period is defined as 365 divided by the number of billing periods in a year. (It is 30.4 days for a monthly billing period.)

B. Payment of Bills

Bills for service are due and payable upon presentation and payment may be made at any commercial office of the Utility or to any representative of the Utility authorized to make collections. Collection of closing bills may be made at the time of presentation.

1. Credit Card Option Payment:

The Residential Customer may elect credit card payment options:

- a. Through a provided pay-by-phone service, or through the Suburban’s credit card payment portal located at [www.swwc.com/paymybill](http://www.swwc.com/paymybill).
- b. Each of these options will include on-demand payments. Recurring credit card payment enrollment is only available via the SWWC credit card payment web portal. If a customer enrolls in the recurring credit card payment program online, all further paper bills will be marked “DO NOT PAY”.
- c. The Customer may discontinue credit card payment upon 30 days prescribed notice.

Schedule No. CAP-1 (T)

SAN JOSE HILLS AND WHITTIER/LA MIRADA SERVICE AREAS  
CUSTOMER ASSISTANCE PROGRAM (T)

APPLICABILITY

- Applicable to all residential metered water service of qualifying customers.
- Applicable to all non-profit group living facilities, agricultural employee housing facilities, and migrant farm worker housing centers.

TERRITORY

Portions of Covina, West Covina, Walnut, La Puente, Glendora, Hacienda Heights, adjacent unincorporated areas in Los Angeles County, portion of Whittier, La Mirada, and Buena Park, La Habra, and adjacent unincorporated areas in Orange County.

CREDIT

	<u>Per Service</u> <u>Per Month</u>	
For all qualifying residential customers:	\$10.48	(I)
For all non-profit group living facilities, agricultural employee housing facilities, and migrant farm worker housing center customers:	\$20.00	

Special Conditions

A Qualifying Residential Customers:

- Must have the water utility bill for service in his or her name.
- Must not be claimed as a dependent on another person's tax return.
- Must re-apply each time you change your personal residence.
- Must renew his or her application every two years, or sooner, if requested.
- Must notify Suburban Water Systems within thirty days if he or she becomes ineligible for Suburban Water Systems' Customer Assistance Program (CAP) but continue to be a customer of Suburban Water Systems. (T)
- Must provide verification of household income by providing a utility bill showing participation in a CAP for electric or gas utility service or by completing Suburban Water Systems' self verification form. (T)

Gross annual household income must not exceed the maximum qualifying household income levels specified annually by the California Public Utilities Commission for the CARE program. Gross annual income means the gross income of all persons residing in the household, as further defined below.

For Suburban Water Systems' CAP, "gross annual household income" means all money and non-cash benefits available for living expenses, received from all sources, both taxable and non-taxable, before any tax deductions, by or for all persons residing in the household during the most recently ended calendar year. PRELIMINARY STATEMENT  
(Continued)

**Lead and Copper Rule Revision Memorandum Account (“LCRRMA”)**

(N)

1. PURPOSE:

The purpose of the Lead and Copper Rule Revision Memorandum Account (LCRRMA) is to record incremental expenses that are not otherwise covered in Suburban’s revenue requirement, to achieve 100% removal of lead service lines based on EPA Guidance for Developing and Maintaining a Service Line Inventory released on August 4, 2022.

2. APPLICABILITY

The LCRRMA applies to all service areas.

3. ACCOUNTING PROCEDURE:

Suburban shall maintain the LCRRMA by making the following entries and the end of each month:

- a. A debit entry shall be made to the LCRRMA at the end of each month to record the expenses.
- b. Interest shall accrue to the LCRRMA on a monthly basis by applying the interest rate equal to one-twelfth of the 3-month non-financial Commercial Paper Rate, as reported in the Federal Reserve Statistical Release, to the average of the beginning-of-month and end-of-month balances.

4. DISPOSITION

Disposition of amounts recorded in the LCRRMA shall be determined in Suburban’s next GRC application, or as otherwise determined by the Commission if the account’s cumulative balance exceeds 2% of Suburban’s adopted gross revenues. The recovery of over or under collections will be passed on to the customers through volumetric surcredits or surcharges.

5. EFFECTIVE DATE:

The balance in the LCRRMA shall be amortized by Tier 2 advice letter whenever the balance exceeds 2% of the authorized revenue requirement for Suburban Water Systems. If the balance is below 2%, Suburban shall propose its amortization in a general rate case proceeding.
