CPUC Announces Third Round of Clean Energy Access Grants for Porter Ranch Area Organizations

SAN FRANCISCO, Sept. 9, 2026 – The California Public Utilities Commission (CPUC) today announced a third round of funding through its Clean Energy Access: LA County TECH (CEA-LAT) Grant Program, providing a grant opportunity for eligible organizations headquartered in ZIP Code 91326.

Applications will be accepted from Sept. 15 through Oct. 15, 2026. Eligible organizations may apply for grants of up to \$75,000. Organizations that previously received funding through the CEA-LAT Grant Program are not eligible for this round.

The CEA-LAT Grant Program supports community-based organizations that conduct outreach and education related to the Technology for Equipment and Clean Heating (TECH) Clean California initiative. Grant-funded activities help residents learn about building decarbonization, electrification technologies, healthy homes, and opportunities to access clean energy incentives.

Round 3 Application Timeline

- Application Opens: Sept. 15, 2026
- Application Closes: Oct. 15, 2026
- Application Review and Scoring: Oct. 16–31, 2026
- Grant Awards Announced: Nov. 2–5, 2026

Who Can Apply?

Round 3 is a limited funding opportunity. Applicants must:

- Be headquartered in ZIP Code 91326.
- Meet all applicable CEA-LAT Grant Program eligibility requirements.

- Request no more than \$75,000 in grant funding.
- Not have previously received funding through the CEA-LAT Grant Program.

Interested organizations are encouraged to review the Round 3 application requirements and submit their applications before the Oct. 15 deadline.

Applicants should review the [CEA-LAT Grant Guidelines](#) and required forms.

For questions, contact capacitygrants@cpuc.ca.gov.

About the Clean Energy Access: LA County TECH Grant Program

The CEA-LAT Grant Program is part of the CPUC's broader efforts to expand equitable access to clean energy technologies, support healthier homes, and help California transition to a cleaner energy future.
