CPUC SED Data Request 2.9

PacifiCorp stated (see "PacifiCorp_2020 Q4 QIU_20210401" row three) that eight weather stations that were not installed in 2020 as required in the 2020 WMP were purchased but not yet installed as of April 1, 2021.[1] Provide the invoices showing the date that PacifiCorp purchased these eight weather stations and state the page numbers of the relevant section(s) of such Documents.

Response to CPUC SED Data Request 2.9

Please refer to Attachment CPUC SED 2.9-1which provides a copy of the invoice for the two cellular weather stations (page 1 of 2).

Please refer to Attachment CPUC SED 2.9-2 which provides a copy of the invoice for the five cellular and one satellite weather stations (pages 1 and 2 respectively).

[1] See PacifiCorp's response to SED-01 Q4 regarding 2020 WMP initiative 5.3.2.1 – Installation of Weather Stations referring to this file, which states on row 3 ""Delays in siting and installation; Iterative and longer process to ensure quality data is received; All remaining weather stations from 2020 are purchased and in the process of being installed prior to fire season."

Despite PacifiCorp's diligent efforts, certain information protected from disclosure by the attorney-client privilege or other applicable privileges or law may have been included in its responses to these data requests. PacifiCorp did not intend to waive any applicable privileges or rights by the inadvertent disclosure of protected information, and PacifiCorp reserves its right to request the return or destruction of any privileged or protected materials that may have been inadvertently disclosed. Please inform PacifiCorp immediately if you become aware of any inadvertently disclosed information.
