NOTICE OF AVAILABILITY

Revised Draft (Rev.1) Resolution T-17264: Parties of record in R. 95-01-020/I95-01-021, all telecommunications carriers, and members of the California Teleconnect Fund Administrative Committee.

The following resolution will be on the agenda of the Commission's April 22, 2010 meeting:

- Resolution T-17264, if adopted, will increase the CTF surcharge rate from 0.079% to 0.16% effective May 15, 2010 until further revised by the Commission

This draft resolution is available at the Commission's website at <http://www.cpuc.ca.gov> and may be found by searching for Resolution [T-17264](#).

On April 22, 2010, the Commission may vote on this resolution, or it may postpone a vote until later. When the Commission votes on a draft resolution, it may adopt all or part of it as written, amend, or modify it, or set it aside and prepare a different resolution. Only when the Commission acts does a resolution become binding on the parties. The conformed resolution, when adopted by the Commission, is available at the same website.

Pursuant to Public Utilities (PU) Code 311 (g), the draft resolutions are available for public comments. Comments should be focused on factual, legal, and/or technical errors in the draft resolutions. Comments must be limited to five pages in length and shall include a subject index listing the recommendations to the draft resolutions, a table of authorities, and an appendix setting forth the proposed revised findings and ordering paragraphs.

If you wish to be served by parties filing opening and reply comments, please inform the Communications Division, Public Program Branch, of the California Public Utilities Commission by March 25, 2010 (seven days after the mailing date) of your request by e-mail to AJC@cpuc.ca.gov. Otherwise, comments on the Revised Draft (Rev.1) Resolution T-17264 will be addressed only to the Communications Division as stated below.

The date of submission is the date the comments are received by the Communications Division. Parties must serve a copy of their comments to each requesting party, if any, as set forth on the Commission web-site on the same date that the comments are submitted to the Communications Division. The requesting party list, if any, will be available on the Commission web-site at <http://www.cpuc.ca.gov/PUC/Telco/Public+Programs/CTF/CTFList.htm> on March 26, 2010.

Comments must be submitted no later than 5:00 pm on April 2, 2010 (which is 15 days from the date of this mailing). Reply comments must be submitted no later than 5:00 pm on April 7, 2010 (five days after opening comments are submitted) and shall be limited to identifying misrepresentations of law, fact, or condition of the record contained in the comments of other parties. Replies shall not exceed five pages in length and shall be submitted and served in the same manner as opening comments.

Late-filed opening comments and/or reply comments will ordinarily be rejected. However, in extraordinary circumstances, a request for leave to submit comments or replies late may be filed together with proposed comments/replies. An accompanying declaration under penalty of perjury shall be submitted setting forth all the reasons for the late submission.
