When the Commission votes on a draft resolution, it may adopt all or part of it as written, amend or modify it, or set it aside and prepare a different resolution. Only when the Commission acts does the resolution become binding on the parties.

Parties to the proceeding may submit comments on the draft resolution. An original and 2 copies of the comments, with a certificate of service, should be submitted to:

Reply comments are due within 5 days of the date of submission. Parties must serve a copy of their comments on all persons on the service list attached to the draft resolution, on the same date that the comments are submitted to the Telecommunications Division.
