When the Commission votes on a draft resolution, it may adopt all or part of it as written, amend or modify it, or set it aside and prepare a different resolution. Only when the Commission acts does the resolution become binding on the parties.

Parties to the proceeding may submit comments on the draft resolution. An original and 2 copies of the comments, with a certificate of service, should be submitted to:

Reply comments are due within 5 days of the date of submission. Parties must serve a copy of their comments on all persons on the service list attached to the draft resolution, on the same date that the comments are submitted to the Telecommunications Division.

Comments shall be limited to 5 pages in length, plus a subject index listing the recommended changes to the draft resolution, a table of authorities and an appendix setting forth proposed findings and ordering paragraphs.

Comments shall focus on factual, legal, or technical errors in the proposed resolution. Comments that merely reargue positions taken in the advice letter or protests will be accorded no weight and should not be submitted.

Late-submitted comments will ordinarily be rejected. However, in extraordinary circumstances, a request for leave to submit comments late may be filed together with the proposed comments.
