*Hearing Conference)**San Francisco*

The Commission will hold a public workshop to receive input on allocating allowance revenue received by investor-owned utilities under the Air Resources Board's AB 32 cap-and-trade program. Under ARB's proposed regulations, investor-owned utilities would receive a portion of the auction revenues from the sale of carbon allowances. Energy Division staff will facilitate a discussion of the policy objectives that parties should use to develop their proposals for using the auction revenue. Staff from the Air Resources Board will also discuss recent developments in the Low-Carbon Fuels Standard (LCFS) and parties will be asked to discuss policy objectives for the use of any LCFS allowances that investor-owned utilities may receive. This workshop will be led by Energy Division staff. An agenda will be made available before the workshop is held. For additional information on R.11-03-012, please visit:
