9am – 5pm

and

December 10, 2003
9am – 5pm

Hiram W. Johnson State Office Building
455 Golden Gate Avenue, Auditorium
San Francisco

The workshop will address California's future natural gas needs and we are seeking speakers from industry, consumer groups, staff of governmental agencies or other interested parties. The workshop is not intended to be a formal proceeding, but will be informative on very important issues to California. The staffs of the CPUC and the CEC have prepared an agenda for the topics to be discussed at this workshop. The agenda can be found on the CPUC and the CEC's websites. The CPUC and CEC staff are currently soliciting speakers to participate on each of the panels and are hoping to have a cross-section of speakers representing various perspectives of the industry, consumer groups, government agencies and other interested parties. If your organization is interested in participating, please send an email to both of the following staff members of the CPUC and CEC by November 14, 2003:

Wendy Maria Phelps
CPUC Energy Division
Email: wmp@cpuc.ca.gov
Telephone: (415) 703-2311

Jairam Gopal
CEC Natural Gas and Special Projects Office
E-mail: jgopal@energy.state.ca.us
Telephone: (916) 654-4880

The workshop will be open to the public. Based upon what we learn at this workshop, the CPUC intends to issue an Order Instituting Rulemaking or an Order Instituting Investigation in early 2004, which would address some of the matters discussed at the workshop and would culminate by the end of the year with a decision affecting natural gas supply and infrastructure issues for California investor-owned energy utilities under the CPUC's jurisdiction. The CEC staff will use this information to update their natural gas outlooks and provide a foundation for future energy policy recommendations to the CEC that can be considered in future updates to the Integrated Energy Policy Report. Both agencies are conducting this effort to help implement the previously adopted Energy Action Plan.

	I01-09-002	Order instituting investigation on the Commission's own motion to assess and revise the New Regulatory Framework for Pacific Bell and Verizon California Incorporated.

Summary: LATE FILED. On November 10, 2003, Richard Smith, Deputy Director of the Office of Ratepayer Advocates (ORA), participated in an all-party meeting with Cmmr. Wood in San Francisco. Also present were Jonathan Lakritz, advisor to Cmmr. Wood, Darwin Farrar, counsel, and Lee-Whei Tan, Regulatory Analyst V, for ORA, William Nusbaum, attorney for The Utility Reform Network, Paul Strange and Michael Sasser for Pacific Bell Telephone Company (Pacific), and Randolph Deutsch, counsel for AT&T. Smith expressed ORA's overall support for the proposed decision (PD) of ALJ Kenney in Phase 2A of the New Regulatory Framework with certain modifications. With respect to Phase 2B, Smith expressed support for the PD of ALJ Thomas. Farrar discussed Pacific's failure to cooperate with discovery and noted that the alternate decision (AD) provides little incentive for Pacific to cooperate with the Commission investigations. ORA noted that both the PD and AD were right when they stated that the Commission is not bound by General Accepted Accounting Principle. ORA also pointed out that the AD would result in double-cost recovery of the Local Number Portability/Local Competition Implementation Cost. Finally, ORA observed that AD's treatment of the Intrabuilding cable amortization is not reasonable.
