

PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

**Telecommunications Division
Carrier Branch**

**RESOLUTION T-16875
September 23, 2004**

R E S O L U T I O N

**Resolution T-16875. Revocation of 261 Authorities Issued to
Competitive Carriers for Failure to Comply with Commission
Decisions.**

Summary

This resolution revokes 261 competitive carrier authorities held by the companies listed in the Discussion Section for failure to comply with Decisions 93-05-010, Ordering Paragraph 4 and 95-12-056 and the wireless registration process.

Background

Decisions 93-05-010 Ordering Paragraph 4 and 95-12-056 and the wireless registration process state that the Commission will consider the revocation of competitive carriers that are more than 90 days late in filing annual reports and remitting surcharges.

The following steps were taken to locate the companies and determine their status:

1. Telecom Division (TD) researched the carriers' record of reporting and surcharge payments. It was determined that each carrier is at least 90 days late in reporting total intrastate end-user billing subject to surcharge on the form Combined California PUC Telephone Surcharge Transmittal (Surcharge Transmittal). The listed carriers have not filed the Surcharge Transmittal form since they were authorized.
2. TD attempted to contact all the carriers on this list. Correspondence sent to the last known addresses of every carrier on this list was returned to TD staff by the post office. Attempts were made but failed to telephone almost all carriers on this list.

3. Notice of company names was placed in the Commission Calendar for 30 days. Interested parties were invited to call TD staff with questions or comments on these carriers' locations, but TD was not contacted by these companies.

Discussion

This resolution lists authorities granted to various firms. In several cases, a single firm possesses more than one authority to operate in California. The authorities revoked by this resolution are the following:

UTILITY

According to TD records, these companies have not remitted surcharges and / or submitted transmittal forms for the entire period each has held its authority. Therefore, the Legal Division may, if it chooses, pursue the companies for any owed surcharges.

Telecommunications Division's draft resolution in this matter was noticed in the Commission's Daily Calendar beginning on August 11, 2004, in accordance with PU Code Section 311(g)(1). The following comments were received: Representatives of Working Assets Funding Services, Inc. (U-4308-C) and Zama Networks, Inc. (U-6498-C) contacted TD. TD has removed them from the list.

Findings

1. The companies on the above list were certificated or registered by the Commission as telephone carriers.
2. Proper measures were taken by Telecom Division staff to locate these companies. Each company had failed to respond to TD's communications. It is, therefore, reasonable to assume that these companies are no longer providing public utility service.
3. The companies on the above list have not timely remitted surcharges and submitted surcharge forms.

4. These companies may owe additional surcharges. The Legal Division may pursue the companies, if it chooses, for any owed surcharges.
5. The companies' authorities should be revoked and their Utility Identification Numbers should be cancelled for failure to comply with D.93-05-010 Ordering Paragraph 4, D.95-12-056, and the wireless registration process.

THEREFORE, IT IS ORDERED that:

1. The competitive carrier authorities granted to the carriers listed in the Discussion Section are revoked:
