

**PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

**Telecommunications Division  
Carrier Branch**

**RESOLUTION T-16899  
June 16, 2005**

**R E S O L U T I O N**

**RESOLUTION T-16899. Voluntary revocation of Certificates of Public Convenience and Necessity held by 10 companies.**

---

**Summary**

This resolution revokes, at the request of the companies, Non-Dominant Interexchange Carrier (IEC/IER) and Competitive Local Carrier (CLC) Certificates of Public Conveniences and Necessity (CPCNs) held by the 10 companies listed in the Discussion Section.

**Background**

The 10 companies listed in the Discussion section below were certificated by the Commission in their specified markets. All required tariffs were filed.

Each company has stated in a letter or advice letter to the Commission that it no longer has any customers and that it requests revocation of its CPCN.

**Discussion**

The companies that would be revoked by this resolution are the following:

<u>Utility Type</u>	<u>CPCN#</u>	<u>Company Name</u>
IEC	5130	Teleconnect Company
IEC	5321	Camacho Communications Corporation
IEC	5372	Nationwide Cellular Service, Inc.
IEC	5485	USLD Communications, Inc.
IEC	5729	Transcommunications Incorporated
IEC/CLC	5797	OpTel (California) Telecom, Inc.
IEC/CLC	6622	8x8, Inc.
IER	6471	Paxx Telecom, LLC
IEC/CLC	6533	MercedNet, Inc.
IEC/CLC/CLR	6700	Econodial, LLC

The Telecommunications Division (TD) recommends that these requests for revocation be granted and that the companies' Utility Identification Numbers be cancelled. TD has determined that the companies have paid all surcharges owed.

This is an uncontested matter in which the resolution grants the relief requested. Accordingly, pursuant to PU Code Section 311 (g)(2), the 30-day period for public review and comment is being waived.

Each of the above companies has submitted a letter or an advice letter to the Commission requesting revocation. There is no reason to deny this request since these companies report that they have no customers and there are about 1,000 long distance and 300 competitive local carriers authorized to do business in these markets.

### **Findings**

1. The companies on the above list were certificated by the Commission in the indicated markets.
2. The companies requested by letter or advice letter that their CPCNs be revoked.
3. The companies' CPCNs should be revoked and their Utility Identification Numbers should be cancelled in cases where they hold no other CPCNs.

**THEREFORE, IT IS ORDERED that:**

1. The Certificates of Public Convenience and Necessity granted to the following companies are revoked:

<u>Utility Type</u>	<u>CPCN#</u>	<u>Company Name</u>
IEC	5130	Teleconnect Company
IEC	5321	Camacho Communications Corporation
IEC	5372	Nationwide Cellular Service, Inc.
IEC	5485	USLD Communications, Inc.
IEC	5729	Transcommunications Incorporated
IEC/CLC	5797	OpTel (California) Telecom, Inc.
IEC/CLC	6622	8x8, Inc.
IER	6471	Paxx Telecom, LLC
IEC/CLC	6533	MercedNet, Inc.
IEC/CLC/CLR	6700	Econodial, LLC

The Utility Identification Numbers issued to these companies are canceled (in the cases where they hold no other CPCNs) and will not be reissued.

This Resolution is effective today.

I hereby certify that this Resolution was adopted by the Public Utilities Commission at its regular meeting on June 16, 2005. The following Commissioners approved it:

/s/ STEVE LARSON
