

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Rulemaking for the Purpose of Amending
General Order 156.

Rulemaking 03-02-035
(Filed February 27, 2003)

**ADMINISTRATIVE LAW JUDGE'S RULING
ON THE SERVICE LIST AND SERVICE OF DOCUMENTS**

1. Service List

Attached as Appendix A is a copy of the service list which was developed after the June 25, 2003 prehearing conference.

2. Electronic Service of Pleadings

At the prehearing conference, there was widespread support for using electronic service of documents in this proceeding. Pursuant to Rule 2.3(b) of the Commission's Rules of Practice and Procedure, pleadings may be served in electronic form on those parties that provided an electronic mail address to the Commission. The subject line for any such transmittals should include the docket number and the words "GO 156 Rulemaking." As a courtesy, parties should electronically serve all of those persons who have provided an electronic mail address, whether they are on the appearance, state service, or information only lists.

Parties who have not provided an electronic mail address should be served with a hard copy of the documents.

In addition to electronic service, paper format copies shall be served on the assigned Administrative Law Judge.

In order to accommodate parties who do not have ready access to Commission offices where filings are accepted, pleadings may be filed one day after their otherwise applicable due date provided that service is accomplished on the due date. Parties taking advantage of this authorization shall refer to this ruling so that Docket Office Examiners are alerted to the authorization.

IT IS RULED that:

1. The updated service list for this proceeding is attached as Appendix A.
2. The rules for electronic service are set forth in Section 2 of this ruling.

Dated July 1, 2003, at San Francisco, California.
